welcome!

Back
to
School!

Hello Allen Families,

Welcome back to the 2020/2021 school year!!! We are so happy to be all together VIRTUALLY and really look forward to the day we will be together again in person.

2020 has had its challenges, but we know that Allen staff and teachers, as well as CVESD are working hard to make this as easy as can be.

Today was our first day of virtual learning and while it may have come with a few hiccups, we all know that this is temporary and that the students will thrive. A positive attitude towards the virtual learning will help your students stay positive. Remember....give your teachers, the school staff, our kiddos and especially yourself, a little grace during these times! We are all learning together and we are all here to support each other.

Thank you to all the teachers and staff who worked hard to get us back to school this year, we appreciate you!

Thank you for all the kiddos for listening and participating in class today, we're excited to see you back in class!

Thank you to all the adults who helped facilitate this new way of learning!

The PTC has some fun activities planned this year to help fundraise so that we can continue to support the students and teachers. Please keep an eye out for PTC emails, flyers and posts on our facebook page at <https://www.facebook.com/allenelementaryPTC> (please join the page to stay up to date with PTC events and activities).

Welcome to all the NEW Allen families, we are excited to have you as part of our Eagle Community! Together we soar!!!
