Parents and Legal Guardians of Allen Kindergarten Students,

First of all, welcome to Ella B. Allen Elementary School! We are looking forward to having your child at our amazing school for the 2020-2021 school year.

This letter serves two purposes: To invite all legal parents and guardians to our Virtual Kindergarten Orientation and to share a survey to help us better serve your child's learning needs.

Our Virtual Kindergarten Orientation will be at **9 am** this **Friday, August 28, 2020** via a Microsoft Teams Meeting Link. Please note that this session will be recorded as well. By participating in this meeting, you agree to the recording of the live session. When you join, kindly mute your microphone, turn off your camera, and type questions in the chat feature. This meeting will be live at 9 am here and the link is also available on our school blog at allenelementary.org:

Under normal circumstances, our staff would conduct an Incoming Kindergarten Assessment Form to balance classes and get to know your child's unique learning needs. Some kindergarten students are just learning how to write their names, and some are already reading books. Just know that **all children** are ready no matter where they are in their learning. That being said, we would like to know a little about each of your children before they start. Attached is a survey to help us get some information about your child before the first day. Kindly complete this survey here: <https://bit.ly/2EwFk0w>

Be advised: If your registration paperwork has not been completed, this survey does not guarantee enrollment. All registration paperwork must be turned in to guarantee a space for your child in our school. You can also find this survey on our blog or Twitter handle.
