As our Superintendent, Dr. Francisco Escobedo, mentioned his most recent [Newsletter Update](#), the district is exploring a phased return to in-person instruction. Because COVID-19 transmission rates have been higher in certain of our local zip codes than the rest of San Diego County, the District is taking a measured and cautious approach toward a return to on-site classes. With our proposed expansion to in-person instruction, students would attend school four days a week (M-Th), possibly on a modified day schedule. Our goal is 16 students per cohort for most classes, but no more than 18, in Kindergarten-Grade 2 in order to maintain social distancing. Students would have Fridays reserved for distance learning from home. [More details can be found here](#). The proposed reopening will be the focus of our next District Town Hall virtual meeting, scheduled for 6 pm on Thursday, October 8. Please save the date.
