

# Holiday Food & Toy Drive

## We're partnering to help families in need this holiday season

The Chula Vista Elementary School District, The Chula Vista Welfare Council, The Chula Vista Police Activities League, and the Chula Vista Community Collaborative are teaming up for the Annual Food & Toy Drive benefitting families in need in Chula Vista.

All donations benefit families with children who live in or attend schools in the Chula Vista Elementary School District.

Last year we served over **1,300** children and their families with food insecurity and a bit of holiday cheer through our toy drive.

This year we're expecting the need to be even greater! But you can help! Helping our community children is as easy

- Canned food to help children and their families with food insecurity during the holiday break
- Toys for children ages birth - 12 years
- \$10 gift cards for teens ages 13-17 years
