Re: Parent Survey for In-Person (Hybrid Model) and Distance Learning 2021

Allen Families,

Preparations for the phased return to In-Person School (via the Hybrid Model) versus remaining in Distance Learning are underway. For planning purposes, we need information from every family: **Please complete the survey for each child in your household that attends Allen Elementary.** The link for our Parent Survey is now posted on our school's blog at allenelementary.org.

The **Parent Survey** describes general details about CVESD's Re-Opening Plan. An FAQ from the district is also available on our school blog. Allen Elementary continues to refine the details of more specific reopening plans such as daily schedules, arrival/dismissal procedures, and other operational details. In order to best prepare for this, we need your input. Please respond to each question on the survey. Your responses will lead to further questions. Submit the survey at the end. We need one survey for every child that attends Allen Elementary.

While we will make every effort to accommodate the needs of our families, it is possible that once our **In-Person (Hybrid Model) and Distance Learning Plan** begins, your child's teacher may change. If you prefer to keep your child's current teacher regardless of his/her teaching mode (in-person or distance learning), please indicate that in the comments at the end of the survey. We would appreciate if everyone completed the survey by next Friday, January 22, 2021.

If you would like to learn more about the Re-Opening Plan, we invite to attend the online, informational Parent Meeting on **Tuesday, January 19th** at **8 am**. The link to this virtual meeting is now posted on the school blog at www.allenelementary.org.

Please contact the school office at **(619) 479-3662** should you have any questions regarding this survey or the virtual Parent Meeting. We appreciate your prompt attention to this survey and are excited to have 100% participation from our families! Be well, Eagles. 🦅

Sincerely,

Mr. John Greenwell, M.S. Ed.
Principal
