April 18, 2023

Dear Parent/Guardian,

State and district testing starts in April of 2023. Below is the anticipated testing schedule as of April 17, 2023.... We recommend that students get a full night of sleep and eat a healthy breakfast to prepare for district and state tests. A friendly reminder that all students can receive free breakfast at Allen between 8:25 am and 8:45 am. **Please make sure your child arrives to school on time and that they feel confident to do their best.**

Please speak to your children about doing their best on these tests. The use of cell phones and other electronic communication devices (such as Apple Watches) are strictly forbidden during state testing. Please see the calendar below for more detailed information regarding our school's anticipated testing calendar.
